

Eternity Classic Appliance Pull

D-ET-001-00

The Eternity Classic Appliance Pull brings sculptural elegance to the kitchen through its distinctive twisted form, refined proportions, and beautifully detailed posts. Crafted in solid brass and offered in Susan Dunn's signature finishes, its timeless design creates an architectural statement that balances decorative artistry with everyday function.

Ideally suited to dishwashers, undercounter refrigeration, warming drawers, and other integrated appliances, the Classic design establishes a distinctive visual presence while complementing the smaller coordinating Eternity cabinet hardware, bringing continuity and character to the surrounding cabinetry.

- Compatible with other Susan Dunn Eternity Collection pieces.
- Includes all hardware for installation: Phillips Screw 1/2-13 X 2IN LONG.
- Crafted of precision machined solid brass.
